

STRONG BOARD OF TAX SUPERVISORS ELECTED BY COUNCIL

Board Named Monday Evening Will Regulate Their Work of Equalizing the Local Tax Lists on Next Friday.

City Council met in regular monthly session at the Council Chamber last night with Mayor Thomas M. Russell presiding. Taken as a whole the meeting was a very tame one and yet some very important business was transacted.

Probably the most important business was the election of a Board of Tax Supervisors to equalize the taxation of the city as returned by City Assessor Walker Hornby. These men will qualify on next Friday. The gentlemen chosen are Messrs. S. P. Browning, J. C. Rogers and Dr. J. A. Dodson. This is an unusually strong board and a fair and equitable adjustment of the assessment is assured both the city and the property owners.

A communication from the City Board of Education setting out a tentative budget was presented in which they ask a levy of 75 cents for school purposes and a levy of 20 cents to retire school bonds voted by the people, more than half of which has already been paid. This communication was referred to the Ways and Means Committee of Council which will hold its meeting before the June meeting and offer a proposed tax budget to the next meeting of Council.

The Laws and Ordinance Committee was authorized to prepare an ordinance increasing the salary of the street laborers from \$2 to \$2.50 per day and in this ordinance a bonus of \$25 per month will be allowed Street Commissioner Ben T. Smith for efficient service.

After providing for the sale of \$50,000 worth of emergency bonds to meet the current expenses of the city, Council adjourned to meet at the call of the Mayor.

LOCAL DEMOCRATS

ATTEND CONVENTION.

Some several local Democratic leaders went to Louisville this morning to attend the Kentucky State Democratic Convention which is expected to instruct its delegates to the San Francisco Convention for Governor James Cox, of Ohio, for president.

COUNTY AGENT ADVISES SPRAY AGAINST INSECT

Spray Recommended for Flea-Beetle Which Seems to Be Working on Grape Vines in This Section.

In reply to many inquiries about the bug which seems to be greatly damaging the grape vines in this section, County Agent George Kirk makes this statement:

"The insect which is doing so much damage to the grape vines in this vicinity appears to be the grape vine flea-beetle, and can be controlled by the application of a spray composed of arsenate of lead in water. The proportions are three pounds of arsenate of lead paste, or one and one-half pounds of powder to fifty gallons of water.

"For a small number of vines figure one ounce of the lead paste to each gallon of water or one-half ounce of the powdered arsenate to each gallon when these proportions are almost exact. Do not delay this spraying as this insect will seriously injure the grape vines. Both the arsenate of lead and small hand sprays may be procured at the local stores at a small cost and if the insect at work is the grape vine flea-beetle this insect will soon ruin the entire grape crop."

AT WORK ON THIRD STREET.

Work at repairing the West Third street hill has been started and Street Commissioner Ben Smith has his force very busily engaged in plowing up the rough street. After the street has been torn up, it will be rolled and a surface of stone rolled from curb to curb. This street will be treated as lower limestone street and it will be remembered that Limestone was for quite a while considered the best street in the city. Fourth street will also receive this same treatment.

MAY BE TO BROOKSVILLE.

Several Maysville and Mason county people motored to Brooksville this morning to hear the evidence in the Marksberry murder case. Marksberry at the local jail last night was very calm. The trial has thus far seemed to make no showing on him physically although he is trying of his daily automobile trips from this city to Brooksville.

HAS LARGE CRADLE ROLL.

The First Baptist church has a very large and flourishing Cradle Roll department with 29 babies enrolled. On last Sunday there were 21 of the enrolled babies present at Sunday School as well as 15 mothers and 9 fathers.

100% STOCK DIVIDEND DECLARED BY THE GROWERS CO.

Annual Meeting of Local Tobacco Warehouse Company Is Held—Capital Stock Is Doubled and Stockholders Re-elected.

At the annual meeting of the stockholders of the Growers Warehouse Company held here Monday the stockholders were so very much pleased with the manner in which the affairs of the company have been managed in the past that the old officers were re-elected. The directors chosen were: L. T. Gaebke, J. C. Hains, W. W. Melvin, C. E. Galtbreith, J. A. Breslin, R. T. Farrow, James M. Rains, D. F. Campbell.

The directors immediately held a meeting and elected the following officers:

President—L. T. Gaebke.

Vice President—W. W. Melvin.

Secretary-Treasurer—J. C. Rains.

The directors increased the capital stock of the company from \$12,000 to \$24,000, and declared a one hundred per cent. stock dividend giving each stockholder two shares of stock for each share he held at the time of the increase.

The officials reviewed a very successful season during which time the warehouse was enabled to handle much more tobacco than in the past because of the doubling of the floor space. They also laid plans for a big year next season.

EDUCATED LOCAL EDUCATORS

ARE HONORED.

Two former Maysville women educators were very highly honored by Governor Edwin P. Morrow yesterday when they were named delegates to represent Kentucky at the National Conference on Education in Washington, May 19 to 21. These women are Miss Lida Duke Woods, of Danville, and Miss Jessie O. Vanney, of Louisville.

EDITOR GOING TO EUROPE.

Desha Breckinridge, editor of the Lexington Herald, has applied to I. S. Commissioner Charles Ward, at Frankfort for a passport to visit France, Belgium, Switzerland, Luxembourg, and England. He will accompany Mrs. Breckinridge, who is to sail May 19. She will attend the International Suffrage Alliance which will hold its convention in Geneva, Switzerland, from June 6 to 12, to which she is a delegate.

SENATOR HARDING PASSES THROUGH MAYSVILLE.

Senator Warren G. Harding, of Ohio, candidate for the Republican nomination for President, passed through Maysville this afternoon in his private car which was attached to C. & O. train No. 2. The Senator was in Cincinnati last night in conference with his manager, Harry Daugherty.

WILL LAY PLANS FOR BIG STATE CONVENTION.

The meeting of the local Knights of Columbus to be held this evening at their hall in the O'Keefe building will be particularly interesting as plans will be laid for the entertainment of the State Convention of the Knights of Columbus of Kentucky which will be held here next week.

MACHINERY FOR MANUFACTURING LIGHT PLANTS HERE.

Messrs. Finch & Knapp, who recently invented a new electric light system, today received their latest and other machinery necessary for the manufacture of the plants. The first complete plant is expected to be finished by the latter part of this week.

Practically every grocer in Maysville is now supplied with sugar although it still is being sold at a very high price. The car of sugar purchased by the Mason county Farm Bureau has now all been sold with the exception of a few hundred pounds and this will be sold before the arrival of the shipment which is expected this month.

Rev. E. C. Eldridge, of Eminence, Ky., who has been extended a call to the pastorate of the local Christian church will meet the congregation at prayer service Wednesday evening.

We call the special attention of our readers to the advertisement elsewhere in this issue offering for sale the home of the late Amos Clemmons. This is a most desirable piece of property.

The Ladies' Aid Society of the Third Street M. E. church will meet (morning) after noon at 2:30 in the church.

Rev. William Deru and wife, of Ft. Thomas, are visiting relatives and friends here.

The Mason County Farm Bureau is distributing a car load of hay among its members.

SOME STRIKERS ARE RETURNING AT RUSSELL

General Superintendent Says Conditions in Big C. & O. Yards Will Be Normal in a Week.

Russell, Ky., May 4.—The first break in the ranks of striking yard employees at Russell was reported when fifteen former employees reported for duty.

The men were informed they had lost all seniority rights but were otherwise taken back without prejudice.

General Superintendent E. L. Back is still at Russell where he is in charge of the situation. Mr. Back is confident conditions will be normal at the Kentucky yard by the end of another week. Several former employees have reported individually during the last week.

All old employees who joined in the walkout will be taken back as "new men" it is said.

Ninety men are at work in the tin-sell yards as switchmen. For the most part they are experienced men. Last week the daily average of cars sent west through Russell was 580 as against 267, the first week of the strike.

DISCIPLES STATE DRIVE TO START NEXT SUNDAY

Christian Churches of Kentucky To Raise \$1,200,000 For Educational and Missionary Interests.

Lexington, Ky., May 4. — Members of the Disciples Brotherhood to Kentucky will begin next Sunday, May 9, a drive for \$1,200,000 for funds badly needed to conduct properly the educational and missionary work of the church.

Under the directorship of Dr. Homer W. Carpenter, of Richmond and Dr. Joseph W. Hagin, of Covington, the campaign has been conducted and the churches organized for the drive, which will be finished Sunday, May 16. Half of the funds raised go to the educational interest and half to the missionary work of the United States.

The needs of the missionary and educational fields have been presented to the church in a series of conferences held in various parts of the state. No better illustration could have been given than the loss to the Transylvania College the past week of Professor R. E. Monroe, head of romance department, who quits school work to enter business because of the poor prospect from a financial standpoint for teaching as a profession. Part of the funds raised from the drive is to be used to raise the salaries of poorly paid professors.

Nearly every church given a quota in the drive has accepted it, and both Dr. Carpenter and Dr. Hagin, as well as their associates, are confident the churches will raise the money asked of them.

RECORD GASOLINE TEST.

With three other passengers, newspaper representatives, Mr. Lloyd Anderson, of the Anderson Motors Company, made a test trip in his new Templar car today. Attaching a one-gallon can of gasoline to the car's feed, the car was run from Maysville to a point near Poplar Plains in Fleming county, a distance of 24.7 miles on the gallon of gas. The trip was made in one hour and twenty minutes.

FATHER SUES SON FOR SERVICES ON LATTER'S FARM

Father Says Son Agreed To Keep Him His Lifetime for Working on His Farm and That He Was Expelled to Leave.

A most unusual suit was brought in the Mason Circuit Court this afternoon by Attorney M. J. Hennessey, of Augusta, representing Phillip Schlitz, of the Dover neighborhood, who is suing his son, Mike Schlitz, for services rendered as a farm hand.

In his petition the plaintiff sets out that he is the father of the defendant and that in 1915 they entered into an agreement providing that if the plaintiff would work on defendant's farm in this county the defendant would keep him and care for him the balance of his lifetime. Pursuant to this agreement, the plaintiff says he went to work for the defendant and continually worked for him every day from that time until May 1st, 1920.

He states that the defendant, after the plaintiff had worked for him for the time previously set out, approximately four years, commenced to treat him unkindly and in various ways mistreated him until it was impossible for him to continue to live with his son and he was compelled to leave on account of this mistreatment.

The father says that he believes his services as a farm hand were reasonably worth \$17.50 per month and board and he asks judgment against the defendant in the sum of \$1050 with interest from May 1st, 1920. He also asks for a general order of attachment against money deposited by the defendant in the Bank of Maysville and the Citizens' State Bank, of Dover.

A suit between father and son involving a contract of the nature set out in this petition is very unusual and no doubt the case will attract much attention.

TRANSYLVANIA MAN IS AUTHOR OF PLAY.

Lexington, Ky., May 3. — Edward Davis, a former student of Transylvania College, has written a play entitled "Love and Loyalty," which has been submitted to Professor C. C. Freeman for criticism. This is to be put on by David Belasco in the early autumn. Mr. Davis is President of the National Vanvleet Artists with headquarters at 223 West Forty-sixth street, New York.

Elwood Maddox, eldest son of Mr. and Mrs. Al Maddox, of East Second street, is critically ill.

KENTUCKY WIFE WAS BURIED ALIVE

California "Bluebeard" Makes Confession That Kentucky Girl He Married Was Not Dead When Buried.

Los Angeles, Calif., May 4.—"Bluebeard" Harvey, when confessing Monday the murder of a fifth of his numerous wives, calmly stated that in the killing of Miss Nina Lee Deloney, of Kentucky, whose murder he had confessed, he had buried the woman alive in Horego Valley.

His previous confession he said, had not narrated fully the details of the murder. He struck her on the head with a hammer, he said, wrapped a blanket about her to smother her and leisurely drove to the place where he buried her.

"The blow merely knocked her out," explained "Bluebeard."

Thomas Lee Woodwine, United States District Attorney, to whom the confession was made, said that he would compel the prisoner to exhume the body from its desert grave, to ascertain, if possible, whether or not the woman actually smothered to death.

PLANS MADE FOR BIG GET-TOGETHER MEETING.

Miss Scottie Stevenson and her Domestic Science class are making great plans for the get-together meeting of the city officials and the City Board of Education at the High School building this evening at 6 o'clock. The luncheon will be a real feast. At last night's meeting of Council Dr. Samuel, president of the Board extended an invitation to Council and the city officials and every one stated they would be present.

Miss Julia H. Wood was called home on account of the illness of her mother, Mrs. Sarah B. Wood.

MARKSBERRY GOES ON STAND AT NOON IN OWN DEFENSE

Prisoner Tells His Side Staying Close To His Original Story and Praising His Innocence of Horrible Murder.

At about 11:30 o'clock this morning the prosecution finished its evidence in the Marksberry murder case at Brooksville and turned the case over to the defense. Attorney Blaine McLaughlin played his first card by introducing the defendant. Many people had thought that Marksberry would not subject himself to hot cross questioning from Prosecutor Grannis but he was placed on the stand and his attorney told him to proceed in his own way to tell his side of the case to the twelve jurors.

Marksberry was very quiet and calm as he took the witness stand and he remained very calm during the several hours that he remained on the stand. He told the same story he has been telling newspaper reporters and other interviewers since the first night he was arrested. He emphatically denied the murder of his friend, Jesse Glenn. Attorney McLaughlin during the trial asked him a very few questions of his client.

It is understood that the defense will offer but a few witnesses beside the defendant himself and court officials were expecting that all the evidence in the case would be in by the time court adjourned tonight. It is understood that there will be but two speeches made in the case and if all the evidence is in by tonight, these will be made Wednesday morning so that the jury should get the case by noon Wednesday on the present schedule.

The crowd of people in Brooksville today was the largest during the trial and many thought it was the largest crowd that the Bracken Capital ever had in its history. All were very orderly however.

C. & O. TRAIN KILLS MAN

AT SILVER BRIDGE. Passengers arriving here this afternoon on C. & O. passenger train No. 2 report that a man was killed near the Silver Grove yards this afternoon. The man, whose name could not be learned, stepped from behind a freight train directly in front of the fast flyer and was killed instantly.

Mr. William G. Lavelle, prominent lecturer, passed through Maysville this afternoon en route to Paris (room Augusta).

Studebaker

WAGONS, BUGGIES, HARNESS

A STUDEBAKER THAT HAS SAVED MONEY FOR ITS OWNER

I bought my Studebaker from your agent, D. M. Smith, at Flint, Mich., in 1916, and have used it continuously on my farm.

I have a farm of 140 acres, with good buildings, and this wagon has hauled all the material.

Two years ago my son put on three tons of sugar beets and hauled it over frozen ground to the scales.

Last summer we hitched a loader behind it and drew our hay to the barn.

The wagon had not been shattered half the time for the last twenty years yet has never broken a wheel or an axle.

John H. Wood, Fishing, Mich.

Not a broken wheel or axle — in use 37 years — still good for haying

Think what it means to get 37 years and more work out of a wagon.

Cuts down the cost—doesn't it?

The Studebaker wagon will stand any reasonable strain. We know what Studebaker wagons that we have sold have done.

Come in and let us tell you what our experience has been with the Studebaker people, our experience with Studebaker wagons and the experience of those to whom we have sold Studebaker wagons.

THE HOME OF QUALITY CLOTHES

GETTING VALUE

Purchase of inferior goods merely because their price is low is false economy. In these days of high cost, superior products are, of necessity, higher in price. Superior goods, however, are always the better buy, for the price difference is more than over-balanced by the difference in value.

When you buy clothes here, you are thrifty. You get the worth of every dollar you spend, in style, tailoring and fabric. The highest qualities and best values are obtainable at this store. Come in and see the new styles.

A Store of Established Standards

The Center of Attraction

It isn't everybody that can make a success out of the Dry Goods business. Some natural fitness is necessary. Competition is so keen that some advantages must be possessed without these essentials. You might as well expect to kindle a fire with brickbats as to make and hold a trade. Grapes don't grow on thorns here any more than in Judea, but the tree is still known by its fruits. Just now the people seem to have "caught on" to the fact that the values we offer cannot be matched everywhere—or anywhere, for that matter.

Fair Prices Always

We read an advertisement the other day in a Big City Paper by a Big City Store featuring special "Eton Blue Serge Dresses" at \$25.00 worth up to \$45.00. We find that we had these very same illustrated dresses in our stock at our regular marked price of \$25.00. Our stock of Dresses, Suits and Coats are MARKED AT FAIR PRICES ALL THE TIME.

WHAT IS THE MATTER WITH THAT CHILD?

When Children Grow Pale and Listless Their Blood May Be Weak

PEPTO-MANGAN MAKES RED BLOOD

Sold By Druggists In Liquid and Tablet Form—Both the Same in Medicinal Quality.

When your child loses color, acts and talks without spirit, and does not play like other children, act quickly.

If the condition is not a deep-seated disease but merely due to poor blood, give Pepto-Mangan. Gude's Pepto-Mangan is just the tonic for pale, thin children whose blood needs rebuilding. It is a pleasant-tasting, single combination of exactly the ingredients that increase and enrich the blood.

Beneficial results show almost at once in brighter eyes, blooming cheeks, a sprightly step, and the whole system made more vigorous.

Pepto-Mangan is obtainable in liquid or tablet form, whichever proves most convenient. Both forms possess identical medicinal qualities.

There is but one genuine Pepto-Mangan and that is "Gude's." Ask your druggist for "Gude's" and look for the name "Gude's" on the package. If it is not there, it is not Pepto-Mangan.—Advertisement.

KENTUCKY FARMER KILLS TWO IN FIGHT FOR CHILD

Young Wife and Sister-in-Law Slain By Sherman Hammonds Who Then Takes His Own Life.

Dawson Springs, Ky., May 3. — Dependence over domestic troubles and the belief that he was about to lose the custody of his four-year-old daughter are supposed to have been the motives for a triple tragedy here Sunday, when Sherman Hammonds, 53 years old shot and killed his wife, Mrs. Nora Hammonds, 23 years old; his sister-in-law, Mrs. John Hammonds, 25 years old, and then turned the revolver upon himself and sent a bullet crashing through his brain. Hammonds formerly lived near Hopkinsville. He was a wealthy farmer and stockman.

The tragedy took place at the home of John Hammonds, brother of the crazed man, where Mrs. Nora Hammonds had been staying since differences arose between herself and husband months ago. Hammonds had been brooding over his trouble, friends said, and asserted he would kill himself and his daughter before giving her up to his wife on the court's order. He remarked repeatedly, it was said, that "none of us will go before the Court."

The hearing of Mrs. Hammonds' suit for separation was scheduled for next Tuesday.

REPORT OF MEMORIAL COMMITTEE OF WOMAN'S CLUB.

The Memorial committee of the Woman's Club regrets exceedingly to say that they have found it impossible within the specified time, to bring to a successful conclusion the campaign for funds for a Memorial Hall, begun with such bright anticipations a few weeks ago. There are several reasons for this, but two seem to stand out with special distinctness:

First. A difference of opinion as to the best form of memorial;

Second. Inability to secure soliciting committees in the county, owing to condition of roads and telephone service.

The Memorial committee of the Woman's Club conducted a publicity campaign for a month, in which the newspapers were most generous of their space.

They have visited many leaders of thought and opinion in both city and county and written to others. They have spent many weary days on the telephone endeavoring to organize committees for a thorough canvass of every precinct, with almost no results.

They have met with much encouragement and some generous responses, but not the co-operation and assistance necessary to a successful campaign for the funds required. Doubtless, there were many who were ready and willing to give, but without soliciting committees they could not be reached. Our soliciting committees in the city reported a partial success in the partial canvass which was made in four wards.

The causes for this appearing to be conflicting opinions floating around, chief of which was probably a desire among some persons for a hospital. The committee said they were also often met with "the boys don't want it."

As the only recognized way of reaching a body of men is through their organization, and their organization, the American Legion, has at three different times stated in all the daily papers that they did want the Central Presbyterian church building to be converted into a Memorial Hall for their dead comrades, and as a meeting place for the American Legion, and also because of the fact that they have held an option on it for months, this, and the further fact that the ex-service men themselves and their relatives contributed the greater part of the fund raised at the Opera House, would seem to furnish the logical answer to the question whether the boys wanted it or not.

The question was also raised as to "how it was to be kept up." Since several organizations, lodges, etc., are maintaining comfortable and even luxurious quarters in buildings which they either own or rent, that was a question which should have been left for the legion to solve, as it was one about which they had no doubt, once they were in possession of a building of as many resources as the one proposed, and especially as the legion numbers among its members many of our most successful young business men whose judgment could be safely trusted.

However, for all these reasons, soliciting was suspended for a few days to give public opinion time to clarify and inform itself. The idea still seeming to be too new to be clearly understood, soliciting was finally stopped altogether, the committee not wishing to burden itself with a still larger but yet inadequate subscription list.

The Memorial committee expected the united support and assistance of all good citizens and 100 per cent. Americans in this effort, and very reluctantly relinquishes it, but it hopes that much good may yet come out of it, and that some stronger hands may be found ready to take it up where they are compelled to lay it down and that some of our far-sighted men may realize what these forward looking and patriotic young men of the American Legion mean to our country at this time.

FINDING MISSING PERSONS IS NEVER-ENDING TASK

The Salvation Army, because of its branches in every country in the world, conducts what is probably one of the most efficient of detective bureaus. It is the Bureau of Missing Persons, which sends out daily alarms to all sections in its efforts to find those who have disappeared.

In the United States over 1,800 inquiries for missing persons come into the Salvation Army each year, and in spite of the meagerness of the available information, in spite of the fact that a large proportion of those who are missing do not want to be found, in spite of all the obstacles and hindrances, over 1,000 are located by the Salvation Army each year.

There is the child who runs away from home because the terrors of cold and hunger are nothing to him compared to the fear of school and teacher. There is the man who finds it easier to

desert than to support the family that he thinks is too exacting. There is the woman who feels that the river or the open gas jet is less terrifying than the hardships of life. For all these and many others the Salvation Army is conducting a vigilant, unceasing search.

And the methods used in finding the delinquents are as varied as the causes of their disappearance. Sometimes an overlooked clue, an old letter or the address of a friend leads to the end of the search. Sometimes a paragraph inserted in the War Cry—the Salvation Army publication, which is circulated in every country in the world—or in other mediums calculated to catch the eye, will bring the missing one home. Sometimes the man or woman hunt goes on for years, only in the end to become one of those unsolved mysteries that the world speculates upon for a month or two and then promptly forgets.

About \$103,75 has been subscribed since the opera house collection, making \$3,961.75. As a fund of \$15,000 was to be raised by May 1st, and for the specific purpose of buying and converting the Central Presbyterian church building into a Memorial Hall, of course, the fund subscribed could not honorably or legally be converted to any other purpose. The pledges became automatically void on May 1st, and the money received will be sent by check to those who gave it by Mr. N. S. Callison, Treasurer Memorial Committee, Bank of Maysville, who has a complete list of all sums paid in cash.

COFFEE!

It is like the dew of Hebron; it has the sweetness of Nectar, the sparkle of champagne, the aroma of a thousand flowers.

For a cup of it Nero would have burned a thousand Romes, Caesar remitted the taxes of all the Jews and Napoleon turned peacemaker.

The only difference in this wonderful Coffee and the goods we sold years ago, it hasn't the kick.

Prices are right. A trial order will convince and will be appreciated.

YOU

Need a Bank and a Bank needs you. We think ours is the Bank you need and we are sure you are the customer we desire. There are so many helpful ways that we can serve you and you will always find us anxious to do so. But you will never know how numerous our ways of assisting you are until you open an account with us and give us a chance. Your need for a Bank is not based on the amount of money you have. The person with a small amount of money needs a Bank as badly, if not worse, than a person with a large amount. No matter how small your account may be, we would be glad to have it and assure you of a hearty welcome and our full assistance. Come right in and tell our officers of your needs and be assured of helpful and considerate treatment.

If you have any surplus money, we will pay you interest on it or assist you in making any kind of an investment you may desire.

IN THE DAY'S NEWS.

Hon. Sir Louis H. Davies, K. C. M. G., Chief Justice of Canada, who celebrates his seventy-fifth birthday today, has had a long and distinguished career in the public service. A native of Prince Edward Island, he began to take an active interest in public affairs soon after being called to the bar, while still in his early twenties. In 1877, having already attained high standing in his chosen profession, he was employed as one of the British counsel before the International Fisheries Commission, which met at Halifax in that year. Subsequently he served on several other important commissions for the settlement of differences between Canada and the United States. Meanwhile he was gaining prominence in politics, serving in the legislative assembly and becoming premier of Prince Edward Island, leader of the Liberal party in the Maritime Provinces, and, in 1896, entering the Federal government as minister of marine and fisheries under the Laurier administration. Since 1901 he has been a member of the Supreme Court of Canada.

ONE YEAR AGO TODAY.

Delegates assembled in Chicago for a national convention of the I. W. W. Postmaster General Burleson wrote a letter defending his administration.

TODAY'S EVENTS.

Sir Louis H. Davies, Chief Justice of Canada, celebrates his 75th birthday today.

Judge George Gray, the eminent jurist once considered as a presidential possibility, is 80 years old today.

Delegates from many countries are to gather in Paris today to attend an international parliamentary convention of commerce.

In general primaries today California and Indiana will choose their delegates to the national party conventions.

Kentucky Democrats are to meet in state convention at Louisville today to arrange for their delegates to the San Francisco convention.

The activity of labor candidates has aroused considerable interest in the municipal election to be held today in St. Paul.

The Non-partisan League and other so-called radical organizations meet in convention at Lincoln today to arrange for entering a full set of candidates in the coming state election in Nebraska.

Mme. Tetrazzini and other world-famous singers are to be heard at the Spatsburg, S. C., music festival, which is to be resumed today after two years' interruption on account of the war.

A THOROUGH TEST

One To Convince the Most Skeptical Maysville Reader.

The test of time is the test that counts.

Doan's Kidney Pills have made their reputation by effective action. The following case is typical. Maysville residents should be convinced.

The testimony is confirmed—the proof complete.

Testimony like this cannot be ignored.

Mrs. John Burns, W. Second St., Maysville, says: "I was subject to severe spells of backache and other kidney trouble. They would come on every three or six months and there were times when I was confined to bed and rendered helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have never had such severe attacks since."

NO TROUBLE SINCE

Nearly thirteen years later, Mrs. Burns said: "I have the same good words of praise for Doan's Kidney Pills today as ever. I haven't needed a kidney medicine since I took them."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burns had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

The Supreme Court of Canada is to give a rehearing today in the case brought to test the powers of the Board of Commerce as a price-fixing tribunal.

CHANDLER SIX

Famous For Its Marvelous Motor

See How Chandler Checks With High-Priced Cars

THE Chandler Six throughout its seven years of production has been distinguished for its many distinctively superior features of design and equipment which are used also on the highest priced American cars, and not used in any considerable degree by cars now priced hundreds of dollars higher than the Chandler. See, then, how the Chandler checks with ten of the best-known high-priced cars in these features selected as being characteristic of high-grade design and most efficient service.

Superior Chandler Features and the High-Priced Cars that use Them

ONE PIECE ALUMINUM MOTOR BASE, which ties the frame of the car together at four points, thus providing a stiffer frame as well as a more rigid motor mounting. Also used by Packard, Locomobile (Bronze), Mercer, Winton, Flat, Brewster, Stutz, Pierce-Arrow.

SILENT CHAIN DRIVE for Motor Shafts. Also used by Winton, Packard, Cadillac, Brewster, Flat, Mercer.

TORQUE ARM OR TUBE. Also used by Pierce-Arrow, Locomobile, Brewster, Winton, Cadillac, Packard, Stutz.

ANNULAR BALL-BEARING TRANSMISSION. Also used by Winton, Stutz, Pierce-Arrow, Brewster, Cadillac, Flat, Locomobile, Packard, Marmon.

ANNULAR BALL-BEARING DIFFERENTIAL. Also used by Marmon, Stutz.

Pierce-Arrow, Flat, Brewster, Packard, Locomobile.

ANNULAR BALL-BEARING REAR WHEELS. Also used by Packard, Stutz, Locomobile, Marmon, Pierce-Arrow, Flat, Mercer.

HIGH TENSION MAGNETO IGNITION. Also used by Locomobile, Mercer, Flat, Brewster, Winton.

THEN, see how these seven cars—sixes which may be considered competitive to the Chandler—do NOT check

One car, listing at \$2975, checks with Chandler in only one feature
One car, listing at \$2685, checks with Chandler in only three features
One car, listing at \$2400, checks with Chandler in only one feature

One car, listing at \$2195, checks with Chandler in only two features
One car, listing at \$2045, checks with Chandler in only two features
One car, listing at \$1945, checks with Chandler in only one feature

One car, listing at \$2250, does not check with Chandler in any feature

Not a single one of the seven makes of medium-priced Sixes referred to offers you High Tension Magneto Ignition. The Chandler offers you Bosch, recognized the world over as the best ignition system. Only one of them offers you the silent chain drive, although another one of them in its higher-priced model (\$3450), incorporates this feature.

These Statements are Facts and they Give You a Few of the Reasons for Chandler Leadership

The specification data quoted is substantiated, in every instance, by the manufacturers of the cars referred to.

COULD SEE BIG IMPROVEMENT IN A SHORT TIME

First Bottle of Voia-Tonic Brought Results — Full Of Energy Now.

"After taking just the first bottle of Voia-Tonic I could see a big change in my condition and now I am much improved," said Mrs. Mary Shives, 524 West Seventh street, Cincinnati, O.

"Last winter I had influenza and it left me weakened and run down all over. It seemed like I couldn't get back my strength. My appetite was so poor that I didn't eat much of anything at all and I lost flesh rapidly as a result.

"My nerves were all out of order, too. I couldn't stand the least excitement.

"Voia-Tonic was recommended so highly that I started taking it and, as I said, I could see a big improvement after taking the first bottle.

"My appetite has come back so good now that I am eating real meals again and as a result I am gaining strength. I'm full of life and energy now and, in short, am like a different person in every way.

"My nerves are in much better condition and I sleep soundly nights and get up mornings feeling refreshed.

"I'm glad to tell all my friends about Voia-Tonic because it surely did a lot for me."

Voia-Tonic, "Builder Of Strength," is being specially introduced in Maysville at J. J. Wood & Son.

HOME DEMONSTRATION AGENT SEEMS CERTAIN

Farm Bureau Officials Think Offer of State Should Not Be Allowed To Slip and May Help County.

It now seems almost certain that Mason County will have a woman home demonstration agent within the next few weeks as the officials of the Mason County Farm Bureau feel that the proposition of the Kentucky and Federal departments of agriculture should not be allowed to slip.

This offer of these two departments is to pay the greater part of the salary of a woman demonstration agent for Mason county if this county will appropriate \$900 per year toward her salary and expenses. This means that for an outlay of \$900 the county will have the full time services of an experienced woman to help in home demonstration work in all of the city and county schools as well as in the homes and to have charge of girl's club work in the county.

Thus far the members of the Fiscal Court have felt that they could not spend the county's money in this manner as it is so badly needed in other departments but the Farm Bureau officials, it is now understood, are so anxious to have this woman worker in the county that they will probably pay a part of the \$900 thus relieving the county Fiscal Court of a part of the financial burden. This matter is being worked on by the Farm Bureau and will likely be presented to the Fiscal Court in some definite shape at the court's next session on the second Tuesday in May.

NEXT SUNDAY IS MOTHER'S DAY.

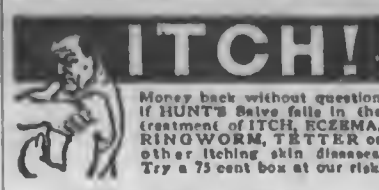

Next Sunday is expected to be another big day in the Sunday schools and churches. It will be Mother's Day—one of the most precious days of the year. And in what better way can love and honor be shown our mothers than by being at Sunday school? There are very few people who were not taken to Sunday school first by their mothers. And where can a mother be found who is as careless of the welfare of her children as to keep them away from the teaching and help of the Sunday school. We all went to Sunday school because it was Go-To-Sunday-School Day; now let's all go again next Sunday because it's Mother's Day.
